

Certification of Compliance With Driver's License Requirements

1. CFR 49 Section 391.11 (b)(7) requires that a driver who operates in interstate commerce and operates a vehicle weighing 10,001 lbs. or more, or transports more than 15 people, or transports hazardous materials, must certify that they do not possess more than one driver's license. If such a driver does possess more than one license, the driver should retain the driver's license in their state of residence and return additional licenses to the state of issuance.

2. CFR 49 Section 392.42 requires that a driver who is notified of a suspended or revoked license, permit or privilege must notify the employing motor carrier by the end of the next business day.

3. CFR 49 Section 383.33 requires a driver to notify the employing motor carrier and the state of license issuance of each moving violation within 30 days of conviction. This notice must be in writing.

I understand the driver's license requirements and I agree to comply with them. I only possess one driver's license.

Driver's Name: _____

CDL Number: _____ State: _____ Expiration: _____

Driver's Signature: _____ Date: _____
